## **Statement from Lauderhill Commissioner**

**Denise D. Grant**

### **Regarding Resolution 20R-06-99**

The Resolution #20R-06-99, passed on June 8, 2020, supporting the Black Lives Matter Initiative is important to the residents of the City of Lauderhill and our entire nation. As a Commissioner of a diverse community which includes 78% minorities, I believe supporting the Resolution allows us to stand against police brutality and racial disparity. I am personally pleased it was set forth and believe it will bring healing for all, especially the residents of the City of Lauderhill.

On Thursday, June 25, 2020 at 6 pm, I would like to invite anyone who wishes to go on the City of Lauderhill Facebook page and join the *Heal Our Nation Prayer Vigil*. Together, this community with our Faith Leaders, will pray for racial equality, peace, healing, justice, and for the families of all victims of police brutality or any social injustice. Please consider participating.

Sincerely,

Denise D. Grant  
Lauderhill Commissioner
